TODO-NODC2021

TODO National Open Data Conference

20 - 22 September 2021

online/hybrid

First announcement:

Dear colleagues,

As preparations for **TODO-NODC2021** are underway, we would like to inform you that **TODO-NODC2021** will be organized **from 20th to 22nd September 2021** in online/hybrid mode by **the Faculty of Transport and Traffic Sciences**, University of Zagreb.

National Open Data Conference 2021 aims to connect stakeholders of different sectors and disciplines interested in Open Data in Croatia to establish coordination of efforts at the national level. The event will be **open to all the contributing authors** (and online attendees without contribution) **with no participation fee**.

A three-day event will provide focused disciplinary panels (law, geodesy, agriculture, electrical engineering and computing, organization and informatics, traffic and transport) enriched with the established keynote speakers from the field of Open Data and the implementation of the Open Data in Croatia.

Accepted abstracts will be published in the TODO-NODC2021 book of abstracts. Selected contributions will be invited for the full paper submission and review for the special issue of the INDECS journal (www.indecs.eu). The best contribution award is planned for the most distinguished young researchers.

Additional information on the registration, contribution requirements, and the keynote speakers will be available shortly in the following announcements and via TODO communication channels (todo-project.eu, [Facebook](#), [LinkedIn](#), [Twitter](#)).

On behalf of the Organisational and Scientific committees and the organizing institution,

Assist. prof. Miroslav Vujić, PhD

Important information:

Abstract submission deadline: 15th June 2021

Abstract acceptance notification: 30th June 2021

Decision on the full paper invitation: 15th July 2021
